Proposal type	Details
Minor and machinery in nature	<p>NCOLA contains amendments to the Wet Tropics Act that are approved to commence by Proclamation. These amendments were delayed to commence at the same time as consequential changes to the subordinate legislation, the Wet Tropics Management Plan 1998 (the Plan).</p> <p>This Impact Analysis Statement relates only the NCOLA matters to commence by Proclamation as those matters relate to the Wet Tropics Act.</p> <p>These matters have already undergone regulatory impact assessment during consideration of the NCOLA Bill.</p> <p>The proposal is machinery in nature and does not result in a substantive change to regulatory policy or new impacts on business, government or the community.</p>

*Refer to *The Queensland Government Better Regulation Policy* for regulatory proposals not requiring regulatory impact analysis (for example, public sector management, changes to existing criminal laws, taxation).
